

UTSA Engaged BY givepulse

Join UTSA's Center for Civic Engagement and GivePulse as we demonstrate a new management and database system for service-learning and volunteers at UTSA

<http://utsa.givepulse.com> - <http://givepulse.com>

Thursday, October 8th

9:00 – 10:30 AM

San Antonio Area Foundation

303 Pearl Parkway

San Antonio, TX 78215

RSVP by Friday, October 2nd

<http://bit.ly/1Fk3AY4>

- Come learn how UTSA will be using this tool for service-learning courses and co-curricular volunteer opportunities.
- Engage UTSA students through this new system to provide volunteer support to your agency.
- Community non-profit partners get free access to all the volunteer management tools of GivePulse!!!
- See the following pages for more details on GivePulse

For more information contact:

Brian Halderman, Director of the UTSA Center for Civic Engagement

- Add-ons: Donation & Ticketing

The top section displays two screenshots of the GivePulse web interface. The left screenshot shows a dashboard with various metrics: Users (4,239), Impacts (2,918), Hours (21k), Registrations (4,295), Events (108), and Page Views (39k). Below these are sections for Alerts, Upcoming Events, and Recent Activity. The right screenshot shows a 'Manage Group Impacts' table with columns for User Full Name, Impact, Type, Checkin, Checkout, Event, Primary Group, Shared With, Hours, Checked, Verified, and Actions. Below the table are several bar charts showing metrics like Total Number of Hours, Number of Impacts per Month, Number of Volunteers per Month, Number of Page View per Month, Number of New Members per Month, and Number of Registrations per Month.

Now enabling discovery and management on the iPhone

Say no to paper. With the GivePulse iPhone app, we streamline finding opportunities, tracking experiences and managing memberships

View and Search
View details of events you registered for and find new opportunities that match your skills and causes

Share Your Impact
Share your experience, time and record what you did

Manage
View who is registered, oversee checkins or add new members on the go

Available now in iTunes (supporting only Austin!)

Download on the App Store
